

## LAMINATE CHERRY DANCE FLOOR (4' x 4' PANELS)

All installations must be made on level interior floors or on clean flat concrete, asphalt or decking. Irregular installations, lawn, dirt/gravel and uneven surfaces may require the assembling of a plywood subfloor at an additional cost. Severe slopes, holes or obstacles may prohibit installation. All exterior installations must be protected from moisture (weather, sprinklers, etc.). Prices are estimated and include installation on level interior surface during WPR business hours. Contact our office for your reservation and custom events.
