# IMPORTANT INFORMATION

Advance reservations are recommended to ensure availability. A non-refundable deposit may be required on special order items and/or orders containing items such as, but not limited to; canopies, staging, dance floor, concession machines, lighting, specialty items, etc..

Rental prices are based on “each” charge, and intended for single event use. All charges are for time out, not time used or unused.

The contracting individual or company is responsible for security and shelter of all equipment from time of delivery to time of pick-up.

Customer identification required:

1. Valid driver’s license number	2. Local address
3. Home (work) & cell phone numbers	4. Valid bank credit card number

Please note: Corporate customers must provide detailed contact information and phone numbers.

Payment is required two weeks prior to the date of service. Any changes must be made at least one week prior to the date of service. A security deposit may be added to orders with insufficient identification. This deposit will be equal to the equipment value. Deposit will be refunded upon timely return of product without any shortages or damages.

In-house charge accounts are available on approved credit. Charge account reservations require confirmation one week prior to delivery or will-call.

Please protect all equipment from weather (rain, moisture, severe winds,) damage and theft. Sites with limited security or shelter may require special delivery/pick-up arrangements (contracted with advance notice at an additional charge.)

Delivery/pick-up service is available. Local delivery/pick-up service is \$25.00 with a minimum order. Orders that do not meet the minimum will incur a separate delivery fee. All deliveries/pick-ups are routed between store hours, and unloaded/loaded within 75’ from the delivery truck, at “ground level.” Special delivery/pick-up arrangements may be contracted with advance notice at an additional charge.

Canopies, staging, and dance floor rentals include set-up and strike by Williams. Details of the site (venue, interior/exterior, and event time) must be provided at the time of quote. Contact an Event Rental Specialist for reservations.

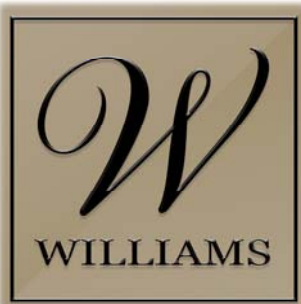

Tables, chairs, umbrellas, and all other equipment will be stacked as directed by the site contact. Products must be restacked for pick-up in the same area as delivery. Set-up and/or strike service is available with advance notice for an additional charge.

Protect all linen from burns, cuts, tears, and excessive stains. After use, shake linen free of debris and fold into linen bags, or bundle in the largest linen. Do not store in plastic bags. Moisture may cause mildew, and result in damage to the product. Allow damp linen to “air dry” prior to placing in linen bags.

Food and beverage items are issued sanitized, and ready for use. For your convenience, place-setting items are rented in full case counts. Food and beverage items must be rinsed clean after use, and re-packed in the original cases (boxes/cases are considered inventory items.) Pack glasses “bottoms-up” in the appropriate racks. Do not mix glasses in racks.

BBQs require ashes to be cooled and discarded. Grills must be brushed and rinsed. Griddles and burners must be cooled and wiped free of debris.

Serving trays and silver products may be used for non-acidic foods only. Marinades may cause irreversible tarnishing. Do not place products in a dishwasher. Rinse products with warm water only.
